## **DAYTIME LANE REDUCTIONS ON I-15 MAY CAUSE DELAYS**

**Barstow** – The Department of Transportation, Caltrans, is informing motorists that longer delays along Interstate 15 between Baker and Barstow may be experienced this week. The ongoing construction project on Interstate 15 through Barstow has reverted back to daytime lane closures for paving until the completion of the project in early 2007. The work has reduced lanes in both directions of I-15 from East Main Street to Rasor Road.

**Extensive delays are expected and motorists are advised to plan ahead and add some extra time to your trip to and from Nevada. Longer than normal delays were experienced Tuesday, December 19<sup>th</sup> due to weather related road closures and additional holiday travel.**

Below is a schedule of closures for the remainder of the week. Caltrans will cease work on all projects Friday, December 22<sup>nd</sup> at 6:00 a.m. and will resume work Tuesday, January 2<sup>nd</sup> at 6:00 p.m.
